**POSITION DESCRIPTION:** Acts as a resource for the 42nd Civil Support Team Commander on the medical administrative aspects of a response to a hazardous event. Identifies the requirements for victim transportation including the number and types of vehicles needed. Provides advice on disbursement of casualties, based on location of the needed bed capacity and capabilities of the healthcare facility. Acts as a Subject Matter Expert for the Incident Commander, local healthcare facilities and other DoD response elements on procedures required to control access and prevent further spread of contamination when requested. Provides advice on expansion of current health care facilities to accommodate the number of victims. Recommends relocation of patients from contaminated or destroyed medical care facilities. Advises the 42nd Civil Support Team Commander on the release of medical information to the public. Obtains medical intelligence information and shares with appropriate agencies. Determines the formal reporting of hazard and victim information to the appropriate agencies. Coordinates with civilian and federal healthcare facilities to identify their need for follow-on support. When needed, facilitates follow-on medical support for the Incident Commander. Performs other military duties as required by mission. Serves as the unit safety officer and unit HAZMAT coordinator.

**QUALIFICATION REQUIREMENTS:** Must meet the physical qualifications outlined in AFI 48-123, as appropriate. Must comply with the military duty eligibility requirements IAW ANGI 36-101. Knowledge is mandatory of: Air Force health services management; hospital administration and practice; contractual and accounting fundamentals; quality management; human resource management; and biometrics. Education. For entry into this specialty, one of the following is mandatory: A graduate degree in health care administration, hospital administration, public administration, business administration, business management, information systems management, finance, accounting, statistics, marketing, economics, or other business-related equivalent. An undergraduate academic major in accounting, business administration, business management, computer science, information systems, economics, finance, health care administration, marketing, public administration, clinical or health systems engineering, operations research, or other business-related equivalent. Training. F o r a w a r d of AFSC 41A3, completion of the basic health services administration course is mandatory. Experience. For award of AFSC 41A3, officers must have at least 12 months experience in one of the MSC core functions, which are prescribed as health facilities, health plan management, medical resources, healthcare information management and information technology, medical logistics, and medical readiness (including aeromedical evacuation), and must have the approval of their unit's senior ranking MSC. To qualify for selection to CST positions, the applicant must: (1) Complete a physical examination IAW NGR 500-3/ANGI 10-2503 paragraph 9-3 before completion of the hiring process. HAZMAT Technician certification requires that each individual on the CST maintains the minimum medical standards noted throughout their duty assignment. (2) Undergo urinalysis drug screen testing upon entry on active duty, and periodic testing while assigned to CST duty. States will ensure that members of the CSTs are included in the testing rotation under the local ADAPC program. (3) Meet AOC/MOS/AFSC qualifications for their duty position within 12 months of their assignment to the unit. An extension may be granted as an exception to policy IAW NGR 600-5 and ANGI 36-101 when CST training and MOS/AFSC qualification courses cannot both be accomplished in the initial 12 months through no fault of the service member. (4) Uphold the highest standards of conduct and personal appearance. (5) Ensure that outside employment, associations and off-duty conduct/activities are consistent with federal directives on ethics and with state and federal conflict of interest policies. Commanders must maintain a copy of the written approval for outside employment of AGR members. However, this employment must not impact the unit mission accomplishment or unit readiness. (6) Agree to minimum three-year tour on the CST.

**NOTE: Military Grade Inversion:** The military structure is preeminent over the full-time structure and military grade inversion within the full-time work force is not permitted. The military grade of the supervisor must equal or exceed the military grade of personnel supervised.

**Application Packages must include the following:**

- (1) NGB Form 34-1
